The certificates ,bank statements , Copies of document related to export of timber / wooden products should be submitted along with the bid documents to prove the eligibility.

All responses to requests for clarifications or additional information shall be in writing and no change in the Tendering price shall be sought, offered or permitted.

For the purpose of the determination of lowest, qualified, responsive, evaluated tender out of the tenders received, the tender evaluation process would be carried out in two stages: i.e. (i) **Bid Examination**, (ii) **Bid Evaluation**.

i) Bid Examination

- (a) All tenders opened by the Tender Opening Committee will be examined to determine the eligibility of tenderers responded and to determine the substantially responsiveness of the tenders received commercially.

During the tender examination process in respect of commercial aspect the tenders will be checked to see whether they are complete, any computational errors have been made, required securities have been furnished, all the documents have been properly signed, the tenders are generally in compliance with the requirements stipulated in the tender document and tenders are generally in order. All tenders without material deviations or objections or reservations to critical provisions stipulated in the tender document; such as tender security, applicable law, taxes and duties, past experience, financial stability, litigation history will be deemed to be substantially responsive and only such tenders will be taken for further evaluation and comparison.

All deviations observed during the tender examination would be noted. Tenders with deviations such as incomplete tenders, non compliance with the specified delivery schedule, inclusion of price escalation when fixed priced tenders are called, proposal of subcontracting when subcontracting is not allowed, absence of bid security, lack of proper signature and seal on the form of tender, lack of critically important supporting documents, late tenders, serious procedure deviations from arbitration procedure, tenderers are non eligible for various reason, change in applicable law, shall be rejected and shall not be taken for further evaluation as those tenders are considered to be substantially non responsive.

(ii) Bid Evaluation

(a) Bid Evaluation General Principle

Having determined the substantially commercial responsiveness of tenders, the process of tender evaluation is earned out to determine the lowest evaluated tender from the substantially technically responsive tenders received. For the purpose of evaluation, all the offers determined during the tender examination stage shall be evaluated for technical compliance and ranked in the lowest cost basis. The lowest ranking offer shall then be selected as the lowest evaluated tender having rejected that do not comply technically.

(b) Correction of Errors

During detailed tender evaluation, if there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate will govern. However, if the total tender price increases due to this correction, the unit rate will be adjusted within the tendered price. If the tenderer does not agree for such adjustment, his tender will be rejected without affecting his security.

(c) Currency Conversion

All prices quoted in foreign currencies by foreign suppliers as well as local suppliers will be converted to Sri Lanka Rupees at the Official **Indicative** Exchange Rate **determined by the Central Bank of Sri Lanka**, prevailing on the day of opening of Tenders.

12.1 Tenders

- (a) The offers received from tenderers will be evaluated item wise. The total evaluated price of each item will be the sum of following components.

- i. Offered FOB and C& F price
- ii Local Agency Commission.

- (b)The value added tax (VAT) payable on agency commission will be paid by the State Timber Corporation by Sri Lanka Rupees.

12.2 VALUE ADDED TAX (VAT)

The Tenderers, when submitting tenders: (Applicable for Local Agents of Foreign Bidders)

- (i) If they are registered for the purpose of VAT, they should indicate the amount of VAT claimed separately in the tender documents, in addition to the net value of the tender, along with the VAT registration number.
Declaration of VAT registration number is mandatory requirement or determination of tenders and any tenderer who do not declare his/her VAT registration number will be liable for rejection of the tender.
- (ii) If any tenderer is not registered for VAT, he/she should indicate the net value of the tender

13. PERFORMANCE BOND:

Within fourteen (14) days of receipt of the Letter of Award, the Supplier shall furnish a Performance Bond equal to **Ten Percent (10%)** of the total contract sum. The Performance Bond shall be in the form of a Bank Guarantee, substantially in accordance with the specimen at **Appendix IV** and issued by a commercial Bank operating in Sri Lanka, approved by the Central Bank of Sri Lanka or a Bank based outside Sri Lanka but "confirmed" by a commercial Bank operating in Sri Lanka.
